Myla Eldridge
Director of Elections
Marion County Election Board
200 East Washington Street, Suite W-144
Indianapolis, IN 46204

Dear Ms. Eldridge,

I wanted to put in writing that I spoke with Will French earlier this month and let him know that the October 2011 filing of the Commit to Indianapolis PAC was mistakenly filed at the County level and should've only been filed at the State level.

My apologies for the mistake, but for clarification, I am filing the annual CFA-4 report with your office per your letter on January 9th. Please note that this PAC is also being disbanded at this time, and proper notification resides with the Indiana Election Division where the Statement of Organization was filed as well.

If you have any questions, please don't hesitate to contact me directly at 317-750-0716.

Thanks,
